FACC SOCIAL SKILLS GROUP

THE SECRETS OF SUPER HEROES

Have you ever wondered about what makes a hero super? The answer lies in their ability to beat down fear, battle self-sabotage, and surround themselves with good friends. FACC Social Skills Group (ages 6-15) will look at these aspects and more in the September-December 2023 group.

The background is a dark navy blue field filled with various abstract shapes and patterns. In the top left, there is a shape with orange and black diagonal stripes. To its right are light blue and dark blue organic shapes. In the top right, there are bright pink and orange shapes. A large, light blue rounded shape dominates the right side. At the bottom, there are light blue, orange, and pink shapes, along with a pink and black striped shape at the bottom center.
